

Star College Scheme of Department of Biotechnology (DBT), Ministry of science and technology, Government of India

We are pleased to inform you that our college has been selected for the prestigious DBT STAR COLLEGE SCHEME of, Department of Biotechnology, Ministry of science and Technology, Government of India, New Delhi. The scheme is focusing on strengthening the undergraduate science teaching in colleges selected under this scheme. Currently, our **five departments are supported viz. Botany, Chemistry, Physics, Zoology and Information technology**. The scheme will help immensely in improving the infrastructural facilities in these departments. Our College now has the unique honor of being one among very few colleges in India selected under start college scheme.

Various student-centric activities will be conducted for overall development of students, including **DBT-STAR Lecture Series, Hands-on-Trainings, Workshops, Industrial and Academic Visits, Research Projects and Competitions** as well as **Faculty trainings**. The schedules and details of activities will be displayed time-to-time on the college web-portal as well as on Notice Boards. Students as well as faculty members and stake holders are requested to regularly visit the Web-portal.
