G. M. MOMIN WOMEN'S COLLEGE,
BHIWANDI

Star College Scheme of Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India

•••

Overview

Star College Scheme has been initiated by DBT in 2008 to support colleges and universities offering undergraduate education to improve science teaching across the country.

Our college has been selected for the prestigious DBT STAR COLLEGE SCHEME, Department of Biotechnology, Ministry of Science and Technology, Government of India from 2016-17. Rs. 58 Lakhs has been sanctioned for the same. The scheme is focusing on strengthening the undergraduate science teaching in colleges selected under this scheme. Currently, our five departments are supported viz. Botany, Chemistry, Physics, Zoology and Information Technology. The scheme will help immensely in improving the infrastructural facilities in these departments.

Various student-centric activities are being conducted regularly for overall development of the students which includes DBT-STAR Lecture Series, Hands-on-Trainings, Workshops, Industrial and Academic Visits, Research Projects and Competitions as well as Faculty trainings.

The schedules and details of activities are displayed time-to-time on the college web-portal as well as on the Notice Boards. Our organization is registered on PFMS site since September 2016 under the scheme" Biotechnology Research and Development-0150" and fund transfers are being made from DBT to our organization through PFMS from the academic year 2016-2017 onwards.

ACHIEVEMENTS

SELECTED FOR STAR SCHEME FOR 3 YEARS [2017-2019]

"A" GRADE AT NATIONAL LEVEL PRESENTATION, DELHI

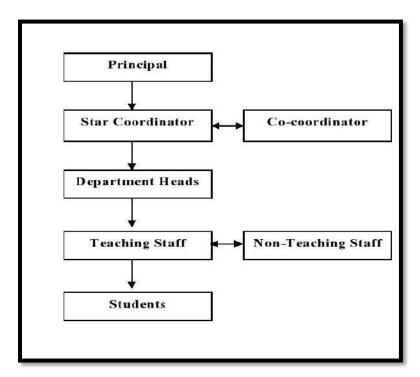

SCHEME EXTENDED FOR 2 YEARS [2019-2021]

•••

Objectives:

- To strengthen the academic and physical infrastructure for achieving excellence in teaching and training
- To enhance the quality of the learning and teaching process to stimulate original thinking through 'hands-on' exposure to experimental work and participation in summer schools
- To promote networking and strengthen ties with neighboring institutions and other laboratories
- To conduct specialized training programmes for faculty improvement for optimizing technical capabilities
- To increase capabilities of core instrumentation resources by procuring new equipment and upgrading existing facilities
- To provide access and exposure to students to research laboratories and industries in the country
- To help in devising standard curricula and Standard Operating Procedures (SOP's) / kits for practicals
- To provide better library facility to students and teachers

The hierarchy is followed in our institution

No. BT/HRD/11/019/2016

Government of India Ministry of Science & Technology Department of Biotechnology

> Block 2, 6-8th Floor CGO Complex, Lodi Road New Delhi - 110003 Dated: 19/10/2016

ORDER

Sanction of the President is hereby accorded under Rule 18 of the Delegation of Financial Power Rules, 1978 for the financial support for strengthening of Life Science and Biotechnology Education and Training at undergraduate level under Star College Scheme to KME Society's GM Momin Women's College, Bhiwandi, Thane-421302 (M.S) at a total project cost of Rs. 58.00 lakhs (Rupees fifty eight lakhs only) for three years as per budget details are given below:-

	7-0		(F	s. In lakh:
Head	1 st Year rel	2 nd Year rel	3 rd Year rel	Total
Non-Recurring Equipment a Rs. 5.00 lakhs per dept. (Physics, Chemistry, Botany, Zoology and Information Technology)	25.00	0.00	0.00	25.00
Recurring to all Five Depts. @ Rs. 2.00 lakhs per year (Physics, Chemistry, Botany, Zoology and Information Technology)	10.00	10.00	, 10.00	30.00
Travel Grant (Mentoring, Monitoring and Site Visit)	1.00	1.00	1.00	3.00
Total:	36.00	11.00	11.00	58.00

- Mrs. Jayashree Thakre, Assistant Professor, KME Society's GM Momin Women's College, Bhiwandi, Thane-421302 (M.S) will be the coordinator for this programme and will submit utilization certificate and statement of expenditure duly signed by him. finance/accounts officer of college and head of college in duplicate at the end of financial year.
- 3. The college is required to implement the programme as per the terms and conditions given in **Annexure-1**.
- 4. The accounts of the programme to be maintained by the KME Society's GM Momin Women's College, Bhiwanai, Thane-421302 (M.S) shall be open to inspection by the sanctioning authority/audit, whenever the college is called upon to do so.

Their

Minutes & Report of First Advisory Committee Meeting held on 11th March 2017

at KME Society's G. M. Momin Women's College, Bhiwandi (Dist Thane), Maharashtra

Adviser to the Department of Biotechnology, Hon'ble Dr. Suman Govil visited G.M.Momin Women's College on 11th March 2017 for Star Advisory Committee meeting along with external experts Dr. Sunil Kumar Deshmukh, Scientist, TERI, New Delhi and Mr. Avinash Lewis Senior Engineer, United Nations. External Expert Dr. Rajendra Shinde, Vice Principal, St. Xavier's College, Mumbai was granted leave of absence. Dr. Mussaddiq Patel, Gen Secretary, KME Society and member of the managementMr. Shafi Muqri graced the occasion.

- Principal Dr. Moses Kolet gave his presentation where he briefly introduced the college, its aims, objectives, vision and mission, its management and local education scenario and related challenges in the small culturally isolated town of Bhiwandi, especially from point of view of education of girls; as our college is a women's college.
- The Committee interacted with the students in the college auditorium whereinstudents of departments selected for star college scheme voiced their positive feelings and gave feedback on benefits derived from various activities conducted under the Star college scheme. Dr. Vaishali Nirmalkar conducted this part of the programme. Following were the students who gave the feedback of various activities sponsored by DBT under Star College Scheme.

S.No.	Name	Department	
1	Ms. Kharbe Ruqaiya	Botany	
2	Ms. Divkar Ayesha	Chemistry	
3	Ms. Saher Ansari	Information Technology	
4	Ms. Ansari Monam	Physics	
5	Ms. Khwaja Nukra	Zoology	
6	Ms. Safa Khan	Biotechnology and Team member, Inter University	
		Research Convention	

- Dr. Suman Govil shared her experiences with students and motivated them to take up challenges in life. Students loved and appreciated her heartfelt interaction with them. Students looked upon Dr. Suman Govil as their ideal role model.
- Departmental presentations, along with the presentation of star coordinator were organized in the IT Laboratory.
- Coordinator Ms. Jayashree Thakre informed the committee on planning of the scheme and activities conducted by departments receiving funding from DBT under Star college scheme for benefit of students.
- Activities conducted under the Star scheme by departments were presented by departmental coordinators as mentioned below:

S.No.	Name	Department
1	Ms. Tarannum Attar	Physics
2	Ms. Laxmishree Chengala	Botany
3	Dr. Naheed Azam	Chemistry
4	Dr. Nisar Shaikh	Zoology
5	Ms. Misbah Momin	Information Technology

Dr Suman Govil appreciated the activities, gave valuable suggestions and guidelines to the members in order to implement Star scheme more effectively.

The course coordinator thanked all the members.

In the later part of the day the external experts visited the departments and interacted with staff members.

Star Coordinator Mrs. Jayashree Thakre Principal

Dr. Garima Gupta Scientist – 'E' Department of Biotechnology Room No. 509, Block – 3 CGO Complex, Lodhi Road 110003 – New Delhi

Dear Dr. Thakre,

This is with reference to 5th Meeting of the Task Force held during 18-20th April, 2019 at Pondicherry University, Pondicherry for Star Status Evaluation of your college. The Expert's decision/comment's are as below:

"Dr. Jayashree Thakre presented the progress and informed that college has acquired NAAC Grade – A accreditation. The Task Force observed that IT project dealing with security on social media etc lack novelty. There were specific queries pertaining to the activities in departments of Physics and IT regarding the correlation between the equipment purchased and experiments listed. It was expected that in future progress reports the college will show the link between the infrastructure created under Star Scheme and its utilisation. The coordinator apprised that the college faculty had several projects and that these have resulted in novel findings for which patents have been filed."

Decision: In view of above, the Task force recommended extension for a period of two years at existing level.

Further, the Task Force reiterated that the Star Colleges should involve maximum number of students under the activities being done under this scheme and that in order to have maximum number of student beneficiaries, the colleges should stress upon procurement of low cost multiple copies of basic equipments required for conducting experiments in the undergraduate classes.

The Advisory committee meetings should be held regularly, at least twice in the tenure of the project, one to be held in the early phase of its implementation so as to guide the college about the scheme and another towards the middle for mid-term course correction, if required. DBT may nominate the task force members for this purpose, if felt necessary. Colleges should ensure that external advisory members should be representing the domain expert area while trying to avoid the potential conflict of interests that might arise due to such nominations.

Website : http://www.dbtindia.nic.in http://www.btisnet.gov.in दूरभाष/Telephone : 24363012, 24362329 फैक्स/Fax : 011-24362884

It was agreed that before uploading any content on website, the colleges should get the documents or compilations etc pre-reviewed by two acknowledged experts in the area and their endorsements with their details should be attached with the contents.

All the Star Colleges are expected to strictly follow National Guidelines for Bio-safety, Ethics for humans, animals etc. Institutions shall be solely responsible for violation of this and are liable to be prosecuted at their cost, risk and consequences.

The college coordinators must ensure their presence for review meetings and any absence by the Institutions or coordinators shall be taken very seriously. The change in the coordinator shall not be allowed for this programme.

It was suggested that coordinators should include a page on budget utilisation and another one describing the quantum of the committed objectives achieved while presenting their progress.

Yours Sincerely,

Garima Gupta

Introduction
The history of angling (or fishing) is as old

as the world. From the time there were fish in the seas and the rivers, people have been catching them for food. Among the Greeks, Philosophers Aristotle and Plato referred to the sport of angling, while historian Plutarch offered advice on fishing lines. From Greece and Rome to the ancient civilizations of India

Rome to the ancient civilizations of India and Egypt, fishing played an important role in the local (and regional) cultures. For many, it is the perfect way to relax, an antidote to the frenzies of modern existence.

Powai Lake—It is believed that the present location of Powai Lake was the original Powai Valley — a central village, with several clusters of huts each having its own well. Powai village was also served by a rivulet resulting from the rain waters of the lowest slopes of the Western Ghats, now seen as the hillock on the South end Ghats, now seen as the hillock on the South end of the Lake, with streams from the Eastern & North eastern slopes of hills. The authorities during the British regime intended to augment the water supply to Bombay City by creating a lake from this rivulet and in 1891 this was achieved by constructing two stone dams across two hillocks each dam was and still is about 10 metres high. The spread of the water body thus achieved was about 370 acres or 2.10 Sq kilometers and the depth varied from about 10 ft (off periphery) to 40 ft at its deepest. The lake is about 17 miles from central Bombay. Average rainfall at Powai is about 2540 mm, and the lake overflows for about for 60 days each year. Studies in 1995 estimated 3000cubic metres of silt as having been deposited over the years. It is believed that the original wells still exist below the water level but could have been

About the College: The G.M. Momin Women's College is About the College: The G.M. Momin Women's College is instuated in Binwands, which is about 23 Km. away from Thans Station. The College has created its own niche in academics as well as in extracurricular activities. The College is progressing in leaps and bounds. It had 1685 students on its roll during the academic year 2017-18. College is reaccredited by NAAC with A grade and it is one of a very few academic institution as ISO 9011-2008 contribed. Recently college got selected for Star College Scheme of DB1- Ministry of Science and Technology. The college is reaccredited by NAGO 1001 and College is reaccredited by NAGO 1001 and Technology. Report A one-day International Workshop on

'Promotion of Angling as a sport among Women'

It was held at MSAA Powai on 16th December 2018 organized by Dept. of Zoology and IQAC of G. M. Momin Women's College Bhiwandi and Maharashtra State Angling Association (MSAA) Mumbai including other NGOs like Naushad Ali Sarovar Samvardhini (NASS), Indian Association of Aquatic Biologists (IAAB) (Hyderabad) and All India Game Fishing Association (AIGFA) under aegis of University of Mumbai.

People across the society participated in this event to promote Angling and Women Empowerment.

Principals from various colleges, teachers mainly Zoologists, females from corporate world and Indian and foreign student delegates participated in this workshop.

Event was conducted in three sessions; first session was presentation on lake conservation, fisheries and Angling. Assistance Commissioner Fisheries Govt. Of India explained importance of inland fisheries and opportunity provided by the government. Second session was about the Lake fishes and art of Angling, which were conducted by ace anglers Mr. Jalal Kazi and Gorden Rodriguez. A demonstration session was kept for new anglers. All participants were given separate spot for Angling competition.

Earliest catch, maximum catch and largest catch were given prizes.

Mr. Kamlesh Sharma, Secretary MSAA initiated awards for serving lake environment. MSAA life time Award is given to great musician as well as super skilled Angler Naushad Ali, another ace angler Mr. Gorden Rodriguez for his 47 years of contribution in angling and great ecologist Dr. S. G. Yeragi who has published more than 450 research papers on ecology.

This was a unique programme held in Mumbai to promote the women anglers; we received women participation from across India. All together 65 anglers participated in this event.
